Pals is a charming medieval village located in the Baix Empordà region, on the Costa Brava. Its well-preserved old town is full of cobbled alleys, cozy squares, and architecture that transports you to times gone by. Its imposing watchtower and the medieval walls that surround the village stand out, offering impressive views of the countryside of l'Empordanet. Pals is known for its tranquil and picturesque atmosphere, as well as its restaurants, craft shops, and cultural events that celebrate its rich history. Masos de Pals is a small, quiet rural area located just a few minutes from the old town of Pals. Made up of traditional country houses and farmhouses, it is ideal for those looking for a life in the countryside, surrounded by nature and privacy, without losing proximity to the town centre and the beach. This area is perfect for walks between rice fields and gentle hills, where the natural landscape merges with the lovcal agricultural tradition.
Masos de Pals is a small, quiet rural area located just a few minutes from the old town of Pals. Made up of traditional country houses and farmhouses, it is ideal for those looking for a life in the countryside, surrounded by nature and privacy, without losing proximity to the town centre and the beach. This area is perfect for walks between rice fields and gentle hills, where the natural landscape merges with the agricultural tradition of the area.Platja de Pals is a wide and beautiful beach of golden sand located just a few kilometres from the town. With crystal clear waters and a gentle sea breeze, it is a perfect place to enjoy the sun and practice water sports such as windsurfing or kitesurfing. The beach is surrounded by an impressive natural environment, with dunes and Mediterranean vegetation, and offers various options of restaurants and beach bars where you can taste the local cuisine. In addition, the proximity to golf courses and other recreational activities makes it an deal destination for tourists looking for both relaxation and adventure.
